

three V.I.P. Library Card Campaign

INFORMATION FOR PARENTS & GUARDIANS

This year we are helping students get a head-start by providing them with public library cards through the Thompson-Nicola Regional Library Grade 3 VIP Library Card Campaign.

With their free library card, your child will have access to all the library has to offer - including books, movies, video games, eBooks, audiobooks, and online databases.

We know that students with strong reading skills do better, not just in school but in life, and we're partnering with your school to make this happen.

Please check one of the boxes below and then fill out the information on the attached form.

- Yes! Sign my child up. I have filled out the attached form.
- My child has an old library card/I think my child already has a library card. I have filled out the attached form. Please update my child's information and give them a new card.
- My child already has a current library card. My child doesn't need a new card - but please count them as participating!

Return this form to your child's teacher by _____.

Your child will receive their new library card in a special package! The classroom with the highest participation will also receive a \$50 Chapters gift card to purchase books for their classroom.

Happy Reading!
